SUFFRAGE AMENDMENT.

The Democrats were notified that their party would caucus to-night on the amendment to limit the sufrage. The special committee presented a draft of the suffrage amendment to the constitution. This is in large part of the Louisiana law. One section requires that a receipt for the past year's poil tax be shown and also that the voter must be able to read and write any section of the constitution. But neither of these applies at all to persons whose grandfathers ar fathers were able to vote prior to January 1st 1867. There is no property qualification. There was a \$300 one, but at the request of the western Democrats it was stricken out.

They will hold two meetings each day and one at night at the M. E. Church, and no doubt will do good work while they are

Mr. Charles Belfour and Miss Maggle Davis, of this city, were quietly mar-

ried last night at the home of the bride, on Second street.

Last night between the hours of 1 and 2 o'clock the quietness of this town was disturbed by the ringing of the fire alarm, and, as usual, the fire company responded promptly, but could render no service, as the fire was near the Norfolk and Southern railroad junction. The fire destroyed four dwellings. Two were vacant and the others were furnished very nicely by colored people, it is not known now the fire originated. The occupants saved very little of their furniture.
